

2006-2021: Professor of Pharmacology and Vice Director
2021-2023: Director

Institute of Pharmacology,
University of Bari-Sapientia

19 November, December 2022

Master students: 4, PhD students: 27, Postdocs: 4, Guest scientists: 6

2018: British Pharmacological Society Award

Andrea Huwiler

for science from Winterthur via Frankfurt to Bern
or rather

for science from Norway via Winterthur and Frankfurt
to Bern

Urs Rüegg, Professor emeritus of Pharmacology
University of Geneva

Sphingosine-1-phosphate in Sepsis. Or better: It is the connections with people that give life its value

Univ.-Prof. Sina Coldewey, MD PhD

MEMORIAL SYMPOSIUM FOR PROF. DR. ANDREA HUWILER

May 13, 2024; Kuppelraum, Hochschulstrasse 4, 3012 Bern

14:00 – 14:10

Welcome

Bisera Stepanovska Tanturovska

14:10 – 14:15

Violin Performance

Misa Stefanovic and Sibylla Leuenberger

14:15 – 14:30

Hans-Uwe Simon

Andrea Huwiler – contributions to the Institute of Pharmacology

14:30 – 14:45

Aristomenis Exadaktylos

“Liebe Andrea,”

14:45 – 14:55

Urs Rüegg

Andrea Huwiler: A trip for science from Winterthur via Frankfurt to Bern

14:55 – 15:10

Ruth Lyck

Advancing therapies for the treatment of Multiple Sclerosis: a review on the close scientific collaboration of Andrea Huwiler with the Theodor Kocher Institute

15:10 – 15:20

Mojgan Masoodi

Andrea Huwiler: Her passion for lipid research and her contribution to Bern Lipid Club

Session I

15:20 – 15:50

Coffee break (Foyer)

15:50 – 16:05

Holger Stark

Butterfly Sphingolipids

16:05 – 16:20

Sina Coldewey

Sphingosine-1-phosphate in sepsis. Or better: It is the connections with people that give life its value

16:20 – 16:35

Vittorio Maglione

The enigmatic role of Sphingolipids in Health and Disease

16:35 – 17:00

Josef Pfeilschifter

A researcher's life with lipids: A pretty cool thing

Session II

17:00 – 17:05

Closing remarks

Bisera Stepanovska Tanturovska

17:05 – 17:20

Violin Performance

Misa Stefanovic and Sibylla Leuenberger

17:20 –

Apéro (Main entrance of the building)

SPEAKERS

Dr. Bisera Stepanovska Tanturovska

Scientific associate at the Institute of Pharmacology, University of Bern, Switzerland

Prof. Dr. med. Dr. Dr. h. c. mult. Hans-Uwe Simon

Director and group leader at the Institute of Pharmacology, University of Bern, Switzerland

Prof. Dr. med. Aristomenis Exadaktylos

Vice Dean Med. School University of Bern and Chairman and Director Department of Emergency Medicine, Inselspital, University Hospital, Switzerland

Prof. Dr. Urs Rüegg

Professor emeritus of Pharmacology, EPGL, University of Geneva, Switzerland

Prof. Dr. Ruth Lyck

Group leader at the Theodor Kocher Institute, University of Bern, Switzerland

Prof. Dr. phil. nat. Mojgan Masoodi

Group leader at the University Institute for Clinical Chemistry, Inselspital Bern, Switzerland

Prof. Dr. Dr. h. c. Holger Stark

Group leader at the Institute of Pharmaceutical and Medicinal Chemistry, Heinrich Heine University in Düsseldorf, Germany

Prof. Sina M. Coldewey, MD PhD

Deputy Director, Head of the Division of Anaesthesiology, Department of Anaesthesiology and Intensive Care Medicine, Jena University Hospital, Germany

Prof. Dr. Vittorio Maglione

Group leader at the Neurogenetics Lab, IRCCS Neuromed, Pozzilli, Italy

Prof. Dr. Josef Pfeilschifter

Director and group leader at the Institute of General Pharmacology and Toxicology, Goethe University Frankfurt, Germany

MUSIC

Misa Stefanovic

Sibylla Leuenberger

Conservatorium Bern, Switzerland

REGISTRATION

Please register until the 3rd of May (Friday) using this link:

<https://terminplaner6.dfn.de/b/715e7c4cd1d02a7599521f0109be1247-662630>

The number of guests is limited to 100 people.

ORGANISATION

Bisera Stepanovska Tanturovska

Institute of Pharmacology, University of Bern
